

### **Emails Not Showing Up?**

It might be due to an overly-aggressive spam filter.

To prevent IEEE emails from ever going to spam, here's an easy fix. (Please share this with your ECE friends!)

Go to Outlook > Settings > View All

Go to the Junk Email tab and scroll down to Safe Senders and Domains.

Add [ssoeieee@gmail.com](mailto:ssoeieee@gmail.com).

### **Still Having Issues?**

Send us an email at [ssoeieee@gmail.com](mailto:ssoeieee@gmail.com) with your issue, and we will try our best!
