Research Methods Supercourse in preparation

To publish in international journals one needs expertise in research methods. However, in most countries there are few trained in research methods. We have built a research methods Supercourse and help desk to assist potential researchers in the development, data collection and analysis of studies.

Biostatistics Methods	Case-Control Studies	Clinical trials	Epidemiologic Methods	Prospective Studies
Sample Size	Survey Methods	Statistical software	Statistical Methods	Ask the Expert

Help Desk (Supercourse lecture) - <http://www.pitt.edu/~super1/lecture/lec48411/index.htm>

What is Health?

WHO definition of health in the WHO official languages -

www.pitt.edu/~super1/lecture/lec42411/index.htm

Definition of Health - Translations by a native speaker -

www.pitt.edu/~super1/lecture/lec42421/index.htm

Definition of Health - Google Translations-

www.pitt.edu/~super1/lecture/lec42431/index.htm

Arabic -

الصحة هي حالة من اكتمال السلامة بدنيا وعقليا واجتماعيا، لا مجرد انعدام المرض أو العجز.

Chinese - 健康不仅为疾病或羸弱之消除，而系体格，精神与社会之完全健康状态。

English - Health is a state of complete physical, mental, and social well-being and not merely the absence of disease or infirmity

French - La santé est un état de complet bien-être physique, mental et social, et ne consiste pas seulement en une absence de maladie ou d'infirmité

Russian - Здоровье является состоянием полного физического, душевного и социального благополучия, а не только отсутствием болезней и физических дефектов

Spanish - La salud es un estado de completo bienestar físico, mental y social, y no solamente la ausencia de afecciones o enfermedades

Your Local language -
