Proceedings:

Day 1, 26th February 2013

Team reached at LUMHS IT hall, welcome by Dr Salma Shaikh, followed by brief presentation by Dr Salma Shaikh encompassing the background, steps, progress, weakness, strengths of pre-service IMNCI implementation in LUMHS. DG Health Sindh in his comments praised LUMHS for implementing the IMNCI in Pre-Service and extended complete cooperation to LUMHS. After DG Health remarks, all the guests were decorated with AJRAK and TOPI by worthy Vice Chancellor, DG Health, Dr Abdul Rehman Pirzado and Dr Salma Sheikh

Worthy Vice Chancellor in his speech welcomed all the participants and gave a brief on LUMHS and research work of LUMHS specially community associated research, his speech was followed by tea break

The visiting faculty was divided in 4 groups. On day 1 all the groups observed outdoor teaching and small group discussions at Pediatric OPD at Jamshoro and City. All the team returned to Pediatric ward to have ward visit, followed by lunch

Day 2, 27th February, 2013

All groups attended final year class at Jamshoro, followed by presentation of Dr Salma Sheikh on Quality assurance tools

-Case Books

-Log Book

After the presentation visiting team observed indoor teaching session, Summarize Group teaching at Department of pediatrics LUMHS Jamshoro and city

Focus group discussion and debriefing was done with the entire visiting faculty. Feedback was taken from the visiting Faculty. This was followed by LUNCH

Decisions / Way Forward:

Department of Pediatrics will extend complete cooperation and support to implement/ introduce IMCNI in pre-service teaching at all the medical universities/ colleges of Pakistan

The visiting faculty will ensure to initiate/ implement IMNCHI in pre-service teaching at their concerned Medical colleges/ universities. World Health Organization will provide its technical assistance and facilitation in future study visits and DO MNCH will support LUMHS in pre-service activities at LUMHS
